

Introducing

HRWow

FREE HR Support whenever you need it

HRWow is like having an HR professional on call around the clock.

HRWow gives you everything you need to make HR Administration easier and lets you:

Create custom HR forms and manuals – instantly

Download and customize hundreds of templates to create the HR forms and documents you need – from employee handbooks to job descriptions to procedure manuals and more – all custom tailored to your business and available any time you need them.

Get HR questions answered by HR professionals

What's the standard for jury duty pay? Can employees purchase vacation days through payroll deduction? HRWow lets you get quick answers to any HR question, by calling or emailing on-call HR professionals. You'll get information you can start using right away.

Valuable HR Advisor Monthly Newsletter

Stay up to date on human resources and benefits with the HR Support Center's free monthly e-newsletter. You'll get an *HR Tip of the Month*, alerts about employment-related court rulings and new regulations, updates on Health Care Reform, a Q&A column, the HR Tool of the Month, and much more. We're confident you'll look forward to the arrival of *HR Advisor* in your inbox each month!

Eligibility for free use of HRWow is based on a group's enrollment in select health and ancillary benefits programs. Your insurance broker can provide you with details.

HR Services Online – 24/7

As your insurance expert, I'm always looking for ways to make it easy for you to focus on your core business – and spend less time on administrative tasks.

That's why I'm excited to provide you with access to amazing HR and benefits support tools through **HRWow**.

Valued at more than \$1,000, I'm making **HRWow** available to you **FREE**.

You'll be able to use all of these great **HRWow** features:

- Answers to your questions from HR professionals – via email and on the phone
- Summaries of state and federal laws affecting employees
- Alerts on new laws impacting businesses
- A 3-Minute HR Audit that identifies areas of strength and items of concern
- *HR Tip of the Month*
- Q&A Spotlight
- And much more
